SCHEDULES.

FIRST SCHEDULE.

(See section 3.)

I.

From C. BEADON, ESQ., Secretary to the Government of India, Foreign Department, to C.J. WINGFIELD, ESQ., Chief Commissioner of Oudh, (No. 6268, dated 10th October 1859.)

No. 1091, dated the 4th June. No. 1377, dated the 15th July.—I AM directed by the Governor General in Council to acknowledge the receipt of your Secretary's letters noted in the margin, relative to the Taluqdári settlement of Oudh.

2. His Excellency in Council, agreeing with you as to the expediency of removing all doubts as to the intention of the Government to maintain the Taluqdárs in possession of the taluqas for which they have been permitted to engage, is pleased to declare that every Taluqdár with whom a summary settlement has been made since the re-occupation of the province, has thereby acquired a permanent hereditary and transferable proprietary right, *viz.*, in the taluqa for which he has engaged, including the perpetual privilege of engaging with the Government for the revenue of the taluqa.

3. This right is, however, conceded, subject to any measure which the Government may think proper to take for the purpose of protecting the inferior Zamíndárs and village occupants from extortion, and of upholding their rights in the soil in subordination to the Taluqdárs.

4. The Governor General in Council desires that you will have ready, by His Excellency's arrival at Lucknow, a list of the Taluqdárs upon whom a permanent proprietary right has now been conferred; and that you will prepare sanads to be issued to these Taluqdárs at that time. The sanads will be given by, and will run in the name of, the Chief Commissioner, acting under the authority of the Governor General.

5. I am directed to add that, as regards Zamíndárs and others, not being Taluqdárs, with whom a summary settlement has been made, the orders conveyed in the limitation Circular No. 31 of the 28th of January 1859, must not be strictly observed. Opportunity must be allowed at the next settlement to all disappointed claimants to bring forward their claims, and all such claims must be heard and disposed of in the usual manner.

II.

From C. BEADON, ESQ., Secretary to the Government of India, Foreign Department, with the Governor General, to Chief Commissioner, Oudh, (No. 23, dated 19th October 1859).

I am directed by His Excellency the Governor General to acknowledge the receipt of your demi-official letter of the 15th instant, enclosing a form of sanad to be given to the Taluqdárs of Oudh, granting them a full and permanent proprietary right in the taluqas for which they have severally been permitted to engage at the summary settlement.

2. This form of sanad is generally approved, and a revised copy, with some few alterations, is herewith enclosed for adoption and for careful translation into the Hindustani language, in which the sanads will be prepared.

3. The sanads declare that while, on the one hand, the Government has conferred on the Taluqdárs and on their heirs for ever the full proprietary right in their respective estates, subject only to the payment of the annual revenue that may be imposed from time to time, and to certain conditions of loyalty and good service, on the other hand, all persons holding an interest in the land under the Taluqdárs will be secured in the possession of the subordinate rights which they have heretofore enjoyed.

4. The meaning of this is that, when a regular settlement of the province is made, wherever it is found that Zamíndárs or other persons have held an interest in the soil intermediate between the ryot and the Taluqdár, the amount or proportion payable by the intermediate holder to the Taluqdár, and the net jama finally payable by the Taluqdár to the Government, will be fixed and recorded after careful and detailed survey and inquiry into each case, and will remain unchanged during the currency of the settlement, the Taluqdár being, of course, free to improve his income and the value of his property by the reclamation of waste lands (unless in cases where usage has given the liberty of reclamation to the Zamindar), and by other measures of which he will receive the full benefit at the end of the settlement. Where leases (pattás) are given to the subordinate Zamíndárs, they will be given by the Taluqdár, not by the Government.

5. This being the position in which the Taluqdárs will be placed, they cannot, with any show of reason, complain if the Government takes effectual steps to re-establish and maintain in subordination to them the former rights, as those existed in 1855, of other persons whose connexion with the soil is in many cases more intimate and more ancient than theirs; and it is obvious that the only effectual protection which the Government can extend to these inferior holders, is to define and record their rights and to limit the demand of the Taluqdár as against such person during the currency of the settlement to the amount fixed by the Government as the basis of its own revenue demand.

6. What the duration of the settlement shall be, and what proportion of the rent shall be allowed in each case to Zamíndárs and Taluqdárs, are questions to be determined at the time of settlement.

The Governor General agrees in your observation that it is a bad principle to create two classes of recognized proprietors in one estate, and it is likely to lead to the alienation of a larger proportion of the land revenue than if there were only one such class. But whilst the taluqdári tenure, notwithstanding this drawback, is about to be recognized and re-established, because it is consonant with the feelings and traditions of the whole people of Oudh, the zamíndári tenure intermediate between the tenures of the Taluqdár and the ryot is not a new creation, and it is a tenure which, in the opinion of the Governor General, must be protected.
